GRANT AGREEMENT

Daniel Haggar, State's Attorney, presented a request for authorization for the Chair to sign the Office of Violence Against Women Training Technical Assistant Sub-Recipient Grant Agreement with the South Dakota Office of Attorney General's Department of Criminal Investigation. The Board of County Commissioners had authorized the State's Attorney's Office to apply for a Department of Justice Intimate Partner Violence Office of Violence Against Women Training Technical Assistance Grant. The State's Attorney's Office and the Sheriff's Office were successful in the grant application and received a total of \$375,000 in grants funds, with the State's Attorney's Office receiving grant funds of \$235,909.51 and the Sheriff's Office received grant funds of \$139,090.49. In a four-year time span, intimate partner violence/domestic violence criminal cases in Minnehaha County have increased by approximately 35%. Due to the increase in these types of cases, the Minnehaha County State's Attorney's Office has become involved in a state-wide grant project to help ensure funding to combat the prevalence of intimate partner violence/domestic violence cases. An Improve the Criminal Justice Response grant has allowed Minnehaha County to dedicate a specialized prosecutor to prosecute these cases and help ensure a more successful outcome. In addition, the prosecutor will work with the Minnehaha County Sheriff's Office and other law enforcement agencies to form connections and teams that will work towards holding defendants accountable while also focusing on a victim-centered prosecution. The Office of Violence Against Women Training Technical Assistance Grant will help support these ongoing connections, which includes training for law enforcement, advocates and other involved partners. MOTION by Beninga, seconded by Bleyenbergh, to Authorize the Chair to Sign the Office of Violence Against Women Training Technical Assistance Sub-Recipient Grant Agreement with the South Dakota Office of the Attorney General/DCI. By roll call vote: 5 ayes.

LEASE AGREEMENT

Joe Bosman, Captain, presented a request for the Chair to sign the lease agreement between Minnehaha County and Townsquare Media for communications equipment. As part of the first responder radio communications project currently in progress under the Sheriff's Office, the five additional tower sites previously outlined in this project will each require an agreement to be signed between Minnehaha County and the respective site owner. The proposed agreement with Townsquare Media allows Minnehaha County the ability to utilize their existing equipment shelter, communications tower and install necessary equipment and infrastructure for the digital radio system to function. The proposed agreement is for a period of five (5) years, with a built-in extension for an additional five (5) years on the same terms and conditions. The tower and equipment shelter utilities, and maintenance will be the responsibility of Townsquare Media. Minnehaha County would own the radio equipment inside the building and the antennas on the tower. The monthly rent for the shelter and tower usage is \$500 per month with costs being covered through the Emergency Management budget. MOTION by Kippley, seconded by Bender, to Authorize the Chair to Sign a Lease Agreement for the KKLS Radio Tower Site. By roll call vote: 5 ayes.
